WHAT TO EXPECT

A professionally produced, high quality athletic event... from start to finish!

When you arrive at packet pick up, you'll feel the energy and excitement as you check in and are assigned your very own bib number. But this isn't just any ordinary bib number, it's equipped with a timing chip that will automatically keep track of your epic race journey and allow your friends and family to follow your every move on the free, easy-to-use Elite Events Tracker App. No need to carry a phone, just pin on your bib and let the chip do the work!

But before you hit the starting line, head over to the t-shirt table where you'll get to choose between a high-quality, colorful and gender-specific tech t-shirt or a soft and comfortable cotton tank top. As you prepare for the race, the lively music will get your heart pumping and your feet ready to fly.

When the gun goes off, you'll be running over timing mats that will keep track of your time for each segment of the course. And don't worry about hydration, there will be water stops along the way to keep you going strong.

As you make your way down the home stretch, don't forget to smile because our official race photographers and videographers will be waiting to capture your victorious moment. You'll be wearing your huge finisher medal with pride and taking a picture in front of the Elite Events backdrop. Your free race photos and videos will be online in just a few days, so don't forget to share them with your friends and family!

After crossing the finish line, you'll enjoy a variety of delicious snacks and instantly view your results and split times via the free Elite Events Tracker App. And if you added your friends before the race, you can follow their progress too! Get notifications sent straight to your smartwatch or cell phone as you run. It's going to be an unforgettable experience!
